JCL Creed

We, the members of the Junior Classical League, covenant to hand on the torch of classical civilization in the modern world. We believe an acquaintance with the civilization of Greece and Rome will help us understand and appraise this world of today, which is indebted to ancient civilization in its government and laws, literature, language and arts.

We affirm the JCL experience develops responsibility, fosters brotherhood, promotes enthusiasm, encourages competition, inspires dedication, and enriches our total growth.

JCL Song

Seeking the best, the highest our goal
Working for greatness through glories of old,
Searching the realms of the golden past,
We follow the classic's truths that last.
In knowledge, truth, and fellowship
We're growing every day.
The friendly hand of JCL aids in every way.
In Rome's proud steps we're marching on
With every true colleague.
And forever we'll hold to the purple and gold
Of the Junior Classical League.
