What is the National Junior Classical League?

The Junior Classical League is a national organization composed of local classical clubs in Junior and Senior High Schools. When a local club joins (see requirements in next paragraph), it becomes a member of the National Junior Classical League. Each club maintains its own program, participates in state and national conventions and its members are eligible for scholarships. The purpose of the NJCL is to encourage among young people an interest in and appreciation of the civilization, language, literature and art of ancient Greece and Rome, and to give them some understanding of the debt of our own culture to that of classical antiquity.

How Can a School Join the Junior Classical League?

1. Any local group with five or more students who are taking or who have taken a classical language or a course in the classical humanities and with assistance of a teacher or sponsor may form a chapter. Upon affiliation each chapter receives a charter printed on parchment paper.
2. Chapter Dues - No fee if paid by December 1, 2014; \$10.00 if paid after December 1, 2014 and before April 1, 2015; \$20.00 if paid after April 1, 2015 and before July 1, 2015.
3. The membership fee is \$2.00 for each student per year. This entitles him/her to be eligible to attend convention, and, if paid before the deadline of July 1, (granting good standing status), eligible to hold office and vote at convention. Also, all members in good standing are eligible for the NJCL Scholarships and the NJCL Latin Honor Society if they meet all other requirements.
4. NJCL chapter must affiliate with its state/provincial organization. See the NJCL website (<http://www.njcl.org/directories>) for state contact information. All chapters must adhere to their state/provincial requirements and deadlines.
5. Any SPONSOR who is not a member of The American Classical League must become a member. This membership includes a subscription to The Classical Outlook and the cost is \$55.00 per year.
